

### Press Quotes

"...once they get going fast it's like they just let loose- like a dam breaking...In a world where it seems like music has become so processed, it's nice to feel it in an organic way...I've really been searching for just organic rock music, knowing it was still out there and just trying to help the world find it as well. And I really do believe that sooner than later the world is going to find Naked Gypsy Queens." - *Raised By Cassettes*

"Naked Gypsy Queens, a high-powered Tennessee quartet, have mastered that amazing bridge between their influences and creating something intensely fresh." - *AMP*

"If this song doesn't get your blood pumping, I'm not sure what will. For a young band these guys sound like seasoned pros, just amazing." - *Seth's Rock Report*

"With a sound that reaches across generations, Naked Gypsy Queens bridge the divide between the genre's past and future, creating timeless rock & roll for the modern world." - *Screamer Magazine*
